

If you could have any super power, which would you choose?

3

1. The ability to read minds

3

2. The ability to stop time

1

3. The ability to fly

0

4. The ability to become invisible

12

5. The ability to heal people

3

6. The ability to be invincible

0

7. Super Strength!!!

Goal 6: Expand choices of transportation

- | | | |
|----|----|---|
| 15 | 1. | Provide options to driving alone through park/ride, carpooling and ride/car share |
| 15 | 2. | Expand walking and biking opportunities and tie them together with other modes |
| 14 | 3. | Encourage transit supportive development |
| 13 | 4. | Enhance the existing transit systems |
| 15 | 5. | Expand public and private transit opportunities to all parts of the region |
| 6 | 6. | Create parking incentives/disincentives |
| 10 | 7. | Provide specific needs transportation (disabled, aging) |
| 14 | 8. | Provide connectivity between all modes of transportation |

Goal 8: Maximize efficiency of existing infrastructure

- 17 1. Increase maintenance budgets
- 13 2. Conserve of water and energy
- 15 3. Extend infrastructure incrementally from the core facilities outward
- 6 4. Identify bottlenecks or choke points in our infrastructure systems
- 15 5. Jurisdictions will cooperate and coordinate
- 12 6. Discourage development on substandard infrastructure
- 10 7. Work with existing transportation infrastructure before building new
- 5 8. Tie infrastructure investment to transit investment
