

## REGIONAL FORUM SERIES 3

### *Demographic Question Polling Results*

The following items represent the responses to demographic questions asked as part of PlanET’s third round of public input. Questions were posed on the Metroquest website, which was used to collect information from participants in a Meeting in a Box Activity or individuals participating online. About two-thirds of the 900 participants provided some demographic information. Response numbers vary across questions as some participants choose not to cast votes for particular questions.
