

PlanET seeks input at community forum

The public is invited to attend a Plan East Tennessee (PlanET) facilitated forum from 8 to 10 a.m. Feb. 6 at the Blount County Chamber, 201 South Washington St., Maryville.

PlanET is a regional partnership of local governments, economic development agencies, nonprofit organizations and others working together to address the long-term needs of Anderson, Blount, Knox, Loudon, and Union Counties.

The partnership is intended to encourage public participation in addressing the common needs of the five counties in the areas of job development, housing, transportation, clean environment, and community health.

RSVP to Vicky Jones at vjones@blountpartnership.com or 273-1207.
