

Healthy Communities Working Group | Cansler YMCA, 616 Jessamine Street, Knoxville | August 20, 2012 | 12:00 p.m. - 2:00 p.m.

MEETING OVERVIEW

WELCOME

INTRODUCTION TO SCENARIO DEVELOPMENT

- What are scenarios? What is the value of scenario work?
- How will scenario development be integrated into PlanET?

PRESENTATION OF TREND SCENARIO FOR THE REGION

- Trend scenario overview
- Potential benchmarks/indicators
- Q&A

PRESENTATION OF DRAFT REGIONAL VISION STATEMENT

SMALL-GROUP DISCUSSION

- Do you agree with the components of the draft Regional Vision Statement? Are any important vision ideas missing?
- How does the trend scenario compare to the regional vision? Does it align? Are there major differences?
- What are the most important scenario benchmarks/indicators for your focus area?

GROUP REPORT-BACKS

- Group responses to Regional Vision Statement and trend scenario questions
- Important indicators
- **VOTE:** Top 2-3 indicators for the Working Group's focus area

NEXT STEPS

- Developing alternative scenarios
- Scenario visualization: MetroQuest and Meeting in a Box 3
- Choosing the preferred scenario

CLOSING

- Post-meeting assignment
- Choosing the preferred scenario
